

Support & Assistance Provided by Nexa Consultancy (NexaCon)

Nexa Consultancy will provide comprehensive, end-to-end support to ensure successful establishment and smooth operation of the franchise campus, including:

- **Staff Hiring Support:** Assistance in recruitment, screening, and onboarding of qualified teaching and non-teaching staff.
- **Teacher Training & Capacity Building:** Initial and ongoing training to ensure standardized, outcome-based, and quality education delivery.
- **Academic Support:** Provision of curriculum guidelines, **lesson breakup plans**, teaching schemes, assessment frameworks, and academic calendars.
- **Quality Assurance:** Continuous academic monitoring, quality audits, and implementation of best practices to maintain education standards.
- **Marketing & Advertisement Support:** Ready-to-use advertisement material, branding guidelines, admission campaigns, and promotional strategies.
- **Operational Manuals:** Standard Operating Procedures (SOPs) covering academic, administrative, examination, and student management systems.
- **Affiliation & Accreditation Support:** Complete assistance in obtaining and maintaining affiliations with **PSDA, PBTE, NAVTTC**, and **foreign collaborating institutions**, where applicable.
- **Regulatory Compliance Guidance:** Support in meeting legal, academic, and inspection requirements of relevant authorities.
- **Admissions & Enrollment Strategy:** Guidance on admission policies, fee structures, intake planning, and student retention strategies.
- **Examination & Certification Support:** Assistance in examination processes, assessments, result compilation, and certification protocols.
- **IT & MIS Support:** Guidance on student records, academic MIS, reporting systems, and digital documentation.
- **Ongoing Advisory Support:** Continuous mentoring, performance reviews, and strategic advice to support long-term growth and sustainability.
